Drawing Section in Support of a Variance Application

- Notes:
- [1] All Earthwork has been completed for three years.
 - [2] Section is drawn where fill is the deepest.
 - [3] Note: See the accompanying Grading Plan and Topographic Map by Andel Engineering
 - [4] Note: See the accompanying Site Plan by D. Weary, Arch.
 - [5] Note: This is a proposed 26 ft. high single-family dwelling that has been plan checked since December 2007
 - [6] Note: This 26 ft. high house is 90 ft. above Sierra Hwy. It is not visible from the North, East or South. It is not visible above the horizon from any off-site perspective.
